

TDSIG Early Career Teacher Scholarship

Teacher development can come fast and steep in the first years of our professional careers. This scholarship, funded by the IATEFL Teacher Development Special Interest Group, acknowledges this teacher development slope, experienced by a recent graduate of a pre-service teacher training program and who is now early in their career. We aim to reward the dedication towards and effort on teaching training program coursework as well as the passion and zeal exhibited in how theory was applied practically in the classroom, and for their own and their peers' professional development within the field of ELT.

The scholarship consists of:

- IATEFL TDSIG Membership (as full individual IATEFL membership or additional SIG)
- registration for the TDSIG Pre-Conference Event
- registration for the IATEFL Conference
- 1,000.00 GBP towards conference-related expenses

To qualify you must:

- Have recently graduated from a pre-service teacher training program that is accredited by a respected and recognized accreditation body, as viewed by the IATEFL TDSIG scholarship committee
- Have up to 3 years teaching experience
- Be a first-time IATEFL Conference attendee (not an Associate conference)
- Agree to do these things:
 - to be interviewed in advance of the conference to introduce yourself and your teaching/studying context, as well as at and after it to describe your experiences and takeaways as a participant
 - to create a video narrative of one minute length about your experiences as a new teacher - challenges, successes and ongoing areas of interest or curiosity
 - to produce a written reflective piece after the conference, in which you should focus on how your experiences at the conference have furthered your development - and how you intend on sharing this learning opportunity with your peers in your local teaching context.

All three pieces may be used by TDSIG for various uses in promotional material.

To be considered you must submit:

- a) A description (about 200-300 words) of how you would make an educational impact on your teaching context.
- b) A written reference (in English) from a teacher trainer that demonstrates your efforts put into your training program and that you are passionate about your future career in PDF format on school letterhead (you can include a link to it within your submission or email separately to tdsig@iatefl.org)

The submission deadline is **16.00 (UK time) on Wednesday 21 June 2023**. Early submissions are very welcome; late submissions will not be considered.

The result of your application will be emailed to you between **7 and 21 August 2023**. Please do NOT contact the IATEFL Head Office about scholarship decisions; the Scholarship Committee will send everyone the results as soon as they are available.
